SDGs Action Declaration

CHARACK CO., LTD.

Our company is addressing societal issue and contributing to the achievement of the SDGs through corporate activities.

Category	Goals related to SDGs	Initiatives toward achieving the SDGs
Efforts to Address Global Warming	  	We will practice reduce, reuse, and recycle, efficiently utilize resources, and strive for environmental conservation.
Providing Environmentally Friendly Products • Services	  	We will promote the development and sale of environmentally conscious products and services.
Work • Life • Balance	  	We are committed to protecting the rights of all workers and promoting a safe and secure working environment.

CHARACK cultivate Phalaenopsis orchid and provide for customers. We are dedicated to environmentally conscious management by using pulp-based plant pots to reduce the consumption of fossil fuels and recycling used wooden pallets.
